<b>Vegan:</b>	Yes

## Vineyard

1174 masl. The coolest corner of Tunuyán, which borders Tupungato.

60 hectares of micro plots planted per variety and according to each specific soil type.

Walnut and almond trees planted to improve biodiversity.

## Viticulture

100% hand harvested. Sustainable management of the vineyard, in the process of certification. Horses roam free eating weeds and naturally help fertilise soils.

## Winemaking

Cold maceration. Fermentation at 20 to 25 degrees with indigenous yeasts. 9 months ageing in 2nd use French and American barrels.

## Tasting Notes

Ripe blackberries, plums and hints of black cherry. A subtle floral note, reminiscent of violet, adds a touch of elegance, while nuances of cedar and tobacco from the gentle oak ageing contribute depth and complexity.
