2022

Mundo Reves, Le Petit Voyage Torrontes

Closure:	Cork
Organic:	No
Biodynamic:	No
Vegetarian:	Yes
Vegan:	Yes

Vineyard

Old vineyard that is located in the lower part of the appellation (around 1000 masl), with relatively rich and deep soils. It is a pergola vineyard between 25 and 40 years old.

Viticulture

The grapes are harvested during the third week of March. The range was born in 2020 with the aim of looking for some unusual grapes and daring winemaking methods. They use the properties of the lees, skins (whites in skin contact), and natural acidity to protect the wines and accompany them in their aging.

Winemaking

Fermentation is carried out with the skins. The wine ferments with the skins and it remains in contact with them for three months in closed and refilled concrete tanks without contact with the air to preserve and concentrate the fresh expression of the fruit. A few weeks after racking/pressing, the wine is bottled without filtering and with very few sulfites added.

Tasting Notes

Terrific structure thanks to the skin contact, with excellent balance of fruit and acidity. The winemaking brings the aromatics down, to make for a very refined and versatile style.
