Vineyard

The Bonarda comes from a 20 year old pergola vineyard, located in the low part of Los Chacayes at 1.000 m above sea level. The estate is surrounded by indigenous trees and eucalyptus which give this wine such a typical mint and botanical nose.

Viticulture

The grapes are usually harvested early, during the second week of March.

These wines are a tribute to the surrealist universe of the film director Federico Fellini, whose works are usually compared to the literary works of the most famous Argentinian writer, Jorge Luis Borges and his magical realism. ASA NISI MASA is a magic formula, a code that children use to avoid that adults can understand them and therefore, escape from their world.

Winemaking

Classical vinification, indigenous yeast, low sulfites, no bleeding. Unoaked.

Tasting Notes

Deep intense purple colour. This is a fruit driven wine with aromas of red fruits and liquorice. Quite floral, with a touch of pepper and eucalyptus. An intriguing palate, fresh, juicy and fruity; with soft tannins.
