## Vineyard

1174 masl. The coolest corner of Tunuyán, which borders Tupungato.

60 hectares of micro plots planted per variety and according to each specific soil type.

Walnut and almond trees planted to improve biodiversity. From a plot with ancient volcanic chalky soils.

## Viticulture

100% hand harvested. Sustainable management of the vineyard, in the process of certification. Horses roam free eating weeds and naturally help fertilise soils.

## Winemaking

6 months of ageing on its fine lees after fermentation

## Tasting Notes

Fresh citrus notes of lemon and lime, along with green apple and pear.

Subtle hints of white peach and melon, with a delicate floral touch.

Crisp and refreshing with vibrant acidity.
