

AGUSTÍN LANÚS BAD BROTHERS MATAKA BLEND 2019

REGION: Salta, Argentina

APPELLATION: Calchaquí Valley

BLEND: 60% Malbec, 21% Tannat, 19% Cabernet Sauvignon

WINEMAKER: Agustín Lanús

ABV: 14.5%

VINEYARD

The vineyard is located at 1,700 masl, in the outskirts of the quiet town of Cafayate. It sits on the floor of a desert valley surrounded by the towering Andes mountains. Cafayate is famous for year-round sunshine, with approximately 320 sunny days each year. Combined with the cool nights typical of high desert terroirs, the vineyards benefit from wide thermal amplitude.

VITICULTURE

Handpicked manual harvest.

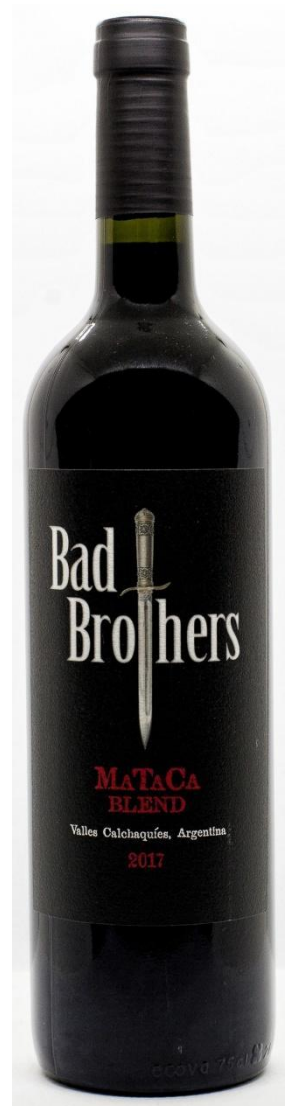

WINEMAKING

Grapes fully destemmed and fermented in stainless steel tanks with selected yeasts. The must was cold soaked for 7 days at 10°C, and then extracted with pump-overs and delestage (rack and return) techniques, with a total extended maceration of 30 days. 70% aged for 15 months in tank with French oak staves, 30% in used French oak barrels, then 10 months of bottle aging.

TASTING NOTES

MaTaCa, a blend that brings together the fruitiness and smoothness of Malbec, the volume and structure of Tannat and the elegance of Cabernet Sauvignon. Full-bodied wine with nice acidity and round tannins. Deep violet colour, with aromas of red fruits, violets, roses, and fig jam.
