

BODEGONES DEL SUR VINEYARD SELECT SAUVIGNON BLANC 2018

REGION: CANELONES, Uruguay

APPELLATION: Juanico

YIELD (HI/Ha): 55 HI/Ha

BLEND: 100% Sauvignon Blanc

WINEMAKER: Santiago Deicas

VINEYARD

Soils: brunosols and vertisols of medium depth with high clay content. Flat valley with a gentle slope of 1-2%, at 45 MASL.

Temperate climate with cold nights and rainfall evenly spread through the year.

Sunlight hours during vegetative cycle: 1765 hrs.

VITICULTURE

Sustainable production: using management techniques focused on achieving qualitative results with the least impact on the environment, ensuring the safety of our products and the safety of employees.

WINEMAKING

100% hand harvest, at dawn, so that grapes arrived to the winery at very low temperatures.

Destemmed and gently pressing of cold grapes taking great care of avoiding oxygen contact and only using 50% of press juice.

Fermentation with selected yeast at 14-16°C.

TASTING NOTES

Pale yellow colour almost transparent with green reflections.

Intense citrus aromas, with some herbaceous notes.

Lively, refreshing acidity and long lasting finish.
