Hand harvested, in small cases. At the winery, grapes are de-stemmed and crushed. Open barrel fermentation. 3 months in second use barrels.

TASTING NOTES

"Medium bright purple crimson. Super-spicy tangy red fruit and lifted dark-red fruit. Peppery nose. Juicy and tight and fine boned. Tannins are super fine. Really quite a delicate wine. Tangy and vibrant. Juicy and peppery on the finish. More elegant and fresh than many Sicilian Nero d'Avola. Lots of integrity here. Juicy finish." **Julia Harding MW**
